

Play and Learn Timetable

These are drop-in style play sessions for parents/carers and their children to support your child's learning journey. The play sessions give an opportunity for your child to explore and develop, as well as meeting other parents with children of a similar age.

Parents/carers are required to stay on site for the duration of the sessions and have the responsibility to supervise their children at all times. A donation is greatly appreciated for this service, which goes towards snack time and stocking up on our messy play activity materials.

0-Cruisers

Our 0-cruiser group, are for those babies who are not yet walking and follows a nationally recognised programme called 'Five to Thrive' which provides ideas to support baby brain development.

We have two courses running from September to December:

Baby Massage promotes bonding and attachment and is a great way to develop a strong relationship between you and your baby. Suitable for babies aged 6 weeks to 6 months. Register now for this 4 week course at any Children Centre Pop In Session at the cost of £25 (non-refundable), which includes handouts, oil & light refreshments. Payments must be received before your place can be confirmed. Unfortunately we have no change facilities, so the correct money is essential.

Baby Massage

Our Community Midwifery colleagues offer appointments predominantly for post-natal women across some of our sites. Appointments can be made by calling **01234 795 747** or through the community midwife. Ante-natal women may be referred to the clinics by the midwife, however the first choice of venue is the ante-natal clinic held within the GP surgery, where the midwife has access to results and important medical information.

Midwifery Services

Breastfeeding support is offered in our Baby Brasseries which are a welcoming informal café style support group, where breastfeeding mums can enjoy a hot drink, meet other mums and receive support from trained
